

THE RICHLAWN COMPANY - FERTILIZER CALENDAR

<i>PRODUCT</i>	<i>April</i>	<i>May</i>	<i>June</i>	<i>July</i>	<i>Aug.</i>	<i>Sept.</i>	<i>Oct.</i>
<i>Pro-Rich Turf Food</i>							
<i>Iron-Rich</i>							
<i>Pro-Rich Winterizer</i>							

An easy way to remember when to fertilize your lawn is to schedule applications around the holidays.

Begin with **Easter**, then **Memorial Day**, **4th of July**, **Labor day** and finally **Halloween**.

Using Pro-Rich or Richlawn Turf Food regularly will provide your lawn with the university recommended one pound of nitrogen per 1,000 sq ft per application.

The organic matter (dehydrated poultry waste) in Richlawn fertilizers will improve your soil with each application, and help to develop a thick extensive root system, which will enable you to use less water while maintaining a lush beautiful lawn.
